Create your own paper race car.

Flip over for instructions on how to fold it!
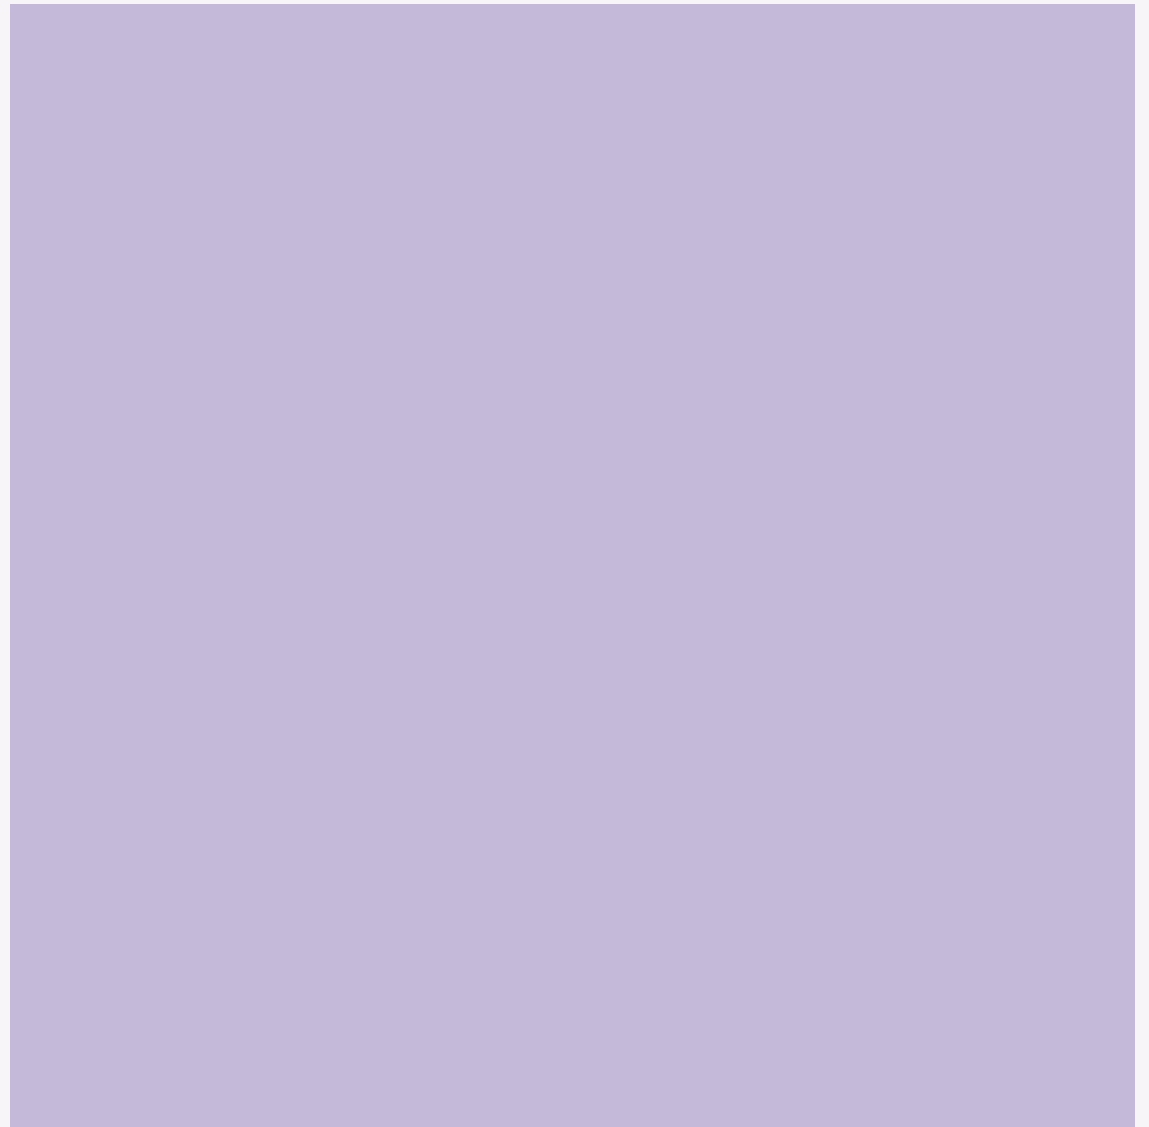

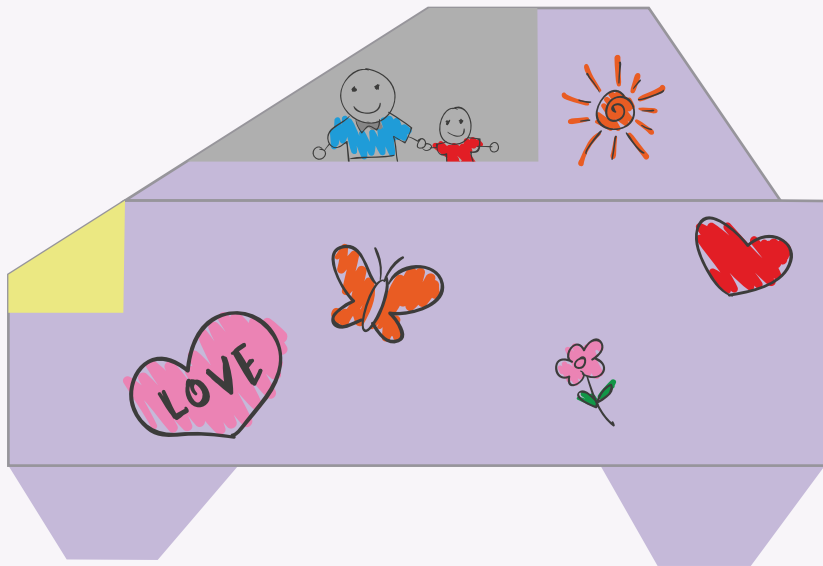

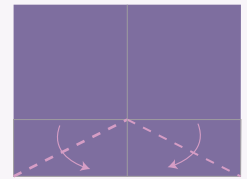

Instructions

Fold the square into a paper race car with the instructions on the right. Design it with colour pencils to make it your own!
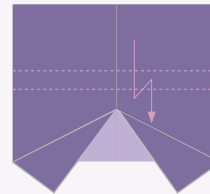

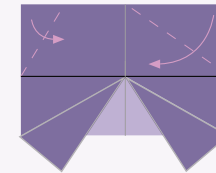

1. Fold the paper into 4 squares

2. Fold the bottom half of the square upwards.
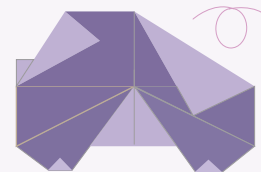

3. Fold the lower portion into triangles as shown.

4. Fold the middle half of the paper as shown.

5. Fold the top half of the paper down to form triangles as shown.

6. Fold the tip of the triangles as shown.

7. Flip your folded paper race car.

8. Design your paper race car and you're off to the races!
